

Xerox Phaser Printing Price List

30-Sep-08

Set-Up Fees

Standard Print Set-Up **\$10.00**

Applicable to single-sided prints of a single image with no text or additional design elements. Set-up includes resizing the image, printing an initial proof, one set of adjustments if needed, and a second proof.

Standard Note Card Set-Up **\$10.00**

Includes resizing, proofing, etc. as above, but using one of our standard card templates to position the image and up to five lines of text on the front or back panels of the card (i.e., on the same side of the paper as the front image.)

Custom Set-Up **\$10.00 + \$60.00/hr.**

Includes double-sided prints, images requiring multiple proofs, combining several images, prints requiring special positioning or alignment, etc. Professional graphic design services (e.g., for flyers, 3-fold brochures, etc.) available via third party -- ask.
